During Fiscal Year 2012, Chisago County Sheriff's Office Recreational Division held two Youth ATV Safety Courses. We also handed out information and spoke to the public at events about OHV Laws and answered questions about OHV's. We also worked events using ATV's and also took enforcement action stemming from complaints or were self-initiated by our deputies.

The ATV Safety Classes had good attendance and went well. I would like to ensure that we continue to do two each Fiscal Year unless attendance decreases. We also used a portion of the grant money towards the purchase of a new Class I ATV. This will be used primarily during our ATV Safety Class for students who do not yet own an ATV, as well as for enforcement purposes and working events involving ATV's. This replaced one of our Class I ATV's that was in poor condition.

Thank you for the opportunity to participate in this grant. I look forward to continuing our OHV Safety and Enforcement efforts.

Sincerely,

Sergeant Steve Pouti  
Chisago County Sheriff's Office
